

## 1025 Steuben St. Build:

Saturday, 9am – 3pm

### What is the impact that your group will make?

You are creating a homeownership opportunity for a family in Oneida County that typically would not be able to own their own home. This is the home that they will raise their family in, make memories and grow old; you will forever change this family's life. This family will think about the hard work each volunteer put in to this house every single time they walk through that door.

### Rules, Safety and Guidelines.

- Please show up at 9am sharp
- You must pre-register before you show up
- You are volunteering for the day, not the tasks
- Bring water, it will not be supplied
- Bring your own lunch – a 30-minute lunch break will be at 1pm. Lunch will not be provided.
- Bring signed volunteer waiver with you. You can download a form here <http://oneidacountyhabitat.org/get-involved-2/volunteer-forms/>
- Dress appropriate for the weather
- Wear sturdy, close-toed shoes. You will be on a job-site around loose nails and other sharp objects
- Please do not bring children under 18 with you to the job-site
- At the start of the day, the crew leader will go over safety protocols and what you will be working on that day
- Training must be provided when using power tools, no matter what your experience is
- Bring construction gloves with you if you have them
- You are welcome to bring your own tools, however we are not responsible for anything that gets broken or missing. Clearly mark your tools as your property so they do not get confused with Habitat tools
- Watch this short YouTube video for my Habitat safety guidelines [https://www.youtube.com/watch?v=2\\_VH0Fh2I0o](https://www.youtube.com/watch?v=2_VH0Fh2I0o)

### Leaders

Crew Leader: Ray Martin

OCHFH Executive Director: Louis LaBella
